

Friends of the Minnesota Sheep Industry

May 2004

Direct Marketers

For only \$25.00 you can help the lamb and wool producers in Minnesota. Become a 'friend' of the Minnesota sheep industry.

Friends of the Minnesota Sheep Industry receive a certificate to display, copies of the MLWPA quarterly newsletter and a listing in the membership directory (if paid by deadline date).

There is no check-off to support our legislative and lobby activities to benefit U.S. lamb and wool producers -- it is funded entirely by members and state organizations.
