President's Column

By Mike Haubrich

Fall harvest is slowly getting underway and the lamb and wool markets have held up this year. I want to thank everyone that volunteered to help out at the MLWPA commercial booth and the Baa booth at the MN State Fair. Without volunteer help, this organization would not exist.

I want to congratulate all the 4-H and FFA sheep project members for the hard work and effort they put into their sheep projects. Also, thank you to the adult volunteers that help ensure the youth programs are positive educational experiences and continue to exist.

We have a new checkoff program for lamb and a board of directors has recently been announced. Lamb does not promote itself, and the checkoff is a step in the right direction for our industry.

The annual meeting is when we elect Officers and Directors for the organization. This year, there are several positions to fill. Sheryl Hoffman has indicated that she can no longer be the Treasurer for the organization. **Please contact me if you or someone you know would like to be an officer or director of MLWPA.** Satellite and breed associations select their own representatives.

At press time, there is no word on the USDA Wool Marketing Loan Program. We should have the information available by our annual conference.

See you at the Annual Conference and Trade show in Rochester.

Silver Bell Award Nominations

The Minnesota Lamb and Wool Producers Silver Bell Awards are given annually to one or two top sheep producers who are examples of excellence in modern sheep production methods and production levels. Selection criteria include flock size, lambing and weaning rate, lamb and wool production and net return per ewe. In addition, the selection committee will look at less tangible factors such as adopting new technology and a contagious enthusiasm for sheep production. Adult applicants must be members of the Minnesota Lamb and Wool Producers Association.

There are separate awards for the following categories: Commercial Flock, Lamb Feeder, Purebred Flock, Youth, and Distinguished Service. Explanations and the selection criteria are available on the MLWP website at: www.mlwp.org.

The Minnesota Lamb and Wool Producers are currently taking applications for the 2002 Junior and Senior Silver Bell Awards. Applications are due by November 15, 2002; awards will be presented at the Shepherd's Conference December 6 – 7, 2002. Winners will be honored at the Silver Bell Luncheon on Dec. 7. The 2001 winner will also give a presentation at that luncheon.

If you have an interest in applying or know someone whom you believe should apply, we encourage you to obtain and complete the application, which is available by contacting Jeremy Geske at (651) 480-7704 or geske002@umn.edu. Applications should be returned to Jeremy Geske, Dakota County Extension Office, 4100 220th ST W, Farmington, MN 55024 by November 15, 2002. Application forms are also available on the website: www.mlwp.org

MLWPA Membership - Patty Anderson, Chair

Both our State Fair Commercial booth and the Baa booth were successful in educating the public and sheep producers on the benefits of being a member of the Minnesota Lamb & Wool Producers. One of the most frequent comments I heard was “How come I didn’t hear about these Government programs before.” I cannot think of a better reason for joining MLWPA than getting this information. With the ewe lamb retention program, all you have to do is save back 2 lambs and your MLWPA and ASI dues paid for.

The Goal of the Membership committee is to have the 2003 MLWPA Directory completed and mailed by late January or February 2003. If you want to be included in the directory, you will need to pay membership before January 1, 2003. Don’t forget you can purchase adds for your farm or business.

MLWPA Executive Board Highlights
Sat. September 7, 2002 10:00 a.m.
Glencoe Community Center

Present: Jeremy Geske, Karen Geske, Roger Karstens, Sheryl Hoffman, Robin Schmidt, Todd Schmidt, Bob Padula

Absent: Doug Mathias, Jim Hickman, George Mead, Gene Holmquist, Patti Anderson, Foster Mooney, Tom Scepaniak, Steven Read, Mike Haubrich, Julie Schuch, Deric Sievert

2nd Vice President Jeremy Geske called the meeting to order at 10:05 a.m. at the Glencoe Community Center.

Secretary's Report

Karen Geske read the minutes of the June 1st meeting. Sheryl is concerned because she received a bill from Doris Mold for the State Fair tickets for the Baa Booth. Sheryl already paid for 40 tickets and she received another bill for 30 tickets. At our last meeting we approved for only 50 tickets. Sheryl will check into this before sending the money for the additional 30 tickets. Todd Schmidt moved to approve the minutes and Roger K. seconded the motion and it was carried.

Treasurer's Report

Sheryl Hoffman gave the treasurer's report as attached. Robin S. moved to approve the report and Roger K. seconded it and it carried.

Committee Reports

Karen Geske reported on the commercial booth at the State Fair for Patti Anderson. The total amount was \$27,719.25 and the taxes were \$1,189.04. The MLWPA will be receiving 20% of \$26,530.21, which is \$5,305.77.

Jeremy Geske gave an update on the website. He asked what we would like to charge the breeders to place an ad on the website. The group is recommending at we approve \$25.00 for one year at our next meeting, since we don't have quorum. The year will run October 31 – October 31. If anyone is interested in having an ad on the website they should e-mail it to Jeremy.

Jeremy Geske reported on the Annual Conference. Steven Read and Jeremy met for 5 hours last week to plan it. Jeremy will take care of getting the information out to the agriculture magazines. The group gave Jeremy ideas on who to contact for speakers. There will be a youth program again this year. If anyone has nominations for the Silver Bells Awards, get them to Jeremy. They will only be having one speaker at a time this year and the sessions are going to be shorter. They are going to have a producer panel and a wool industry panel this year. We may also have a fleece contest at the trade show.

Jeremy reported that we need to pay our dues of \$4200 to ASI. The group told Sheryl to go ahead and pay it. We will be receiving a 2% discount if they receive the check by October 31. The amount due is \$4116.

Sheryl checked into changing our checking account to Wells Fargo and it was going to cost us money. We decided to keep the account at Bremer Bank and if we need to change it when another treasurer starts, we will do it then.

Other Business

Bob reported that the sheep program at Morris is going to be held on October 19th. He also stated that the newsletter will be going out in mid-October.

We decided to have another meeting before the conference. **We will meet on Saturday, November 2, 2002 at 10 a.m. The Glencoe Community Center is not available, so Julie will find a location for us to meet.**

Todd Schmidt moved to adjourn to meeting and Bob seconded it. The meeting was adjourned at 11:35 a.m.

Friends of the Minnesota Sheep Industry

For only \$25, your local businesses, banks, cooperatives, feed stores and other businesses can help the sheep growing community in Minnesota. Friends of the Minnesota Sheep Industry will receive a certificate they can display showing their support of the sheep industry. In addition, they will receive the MLWPA Newsletter, and will be listed in the membership directory.
